Every cabin is made to measure

Bespoke service available to all projects in this catalogue. We can manufacture every cabin individually according to your specification.

BEFORE

Standard COMO model

AFTER

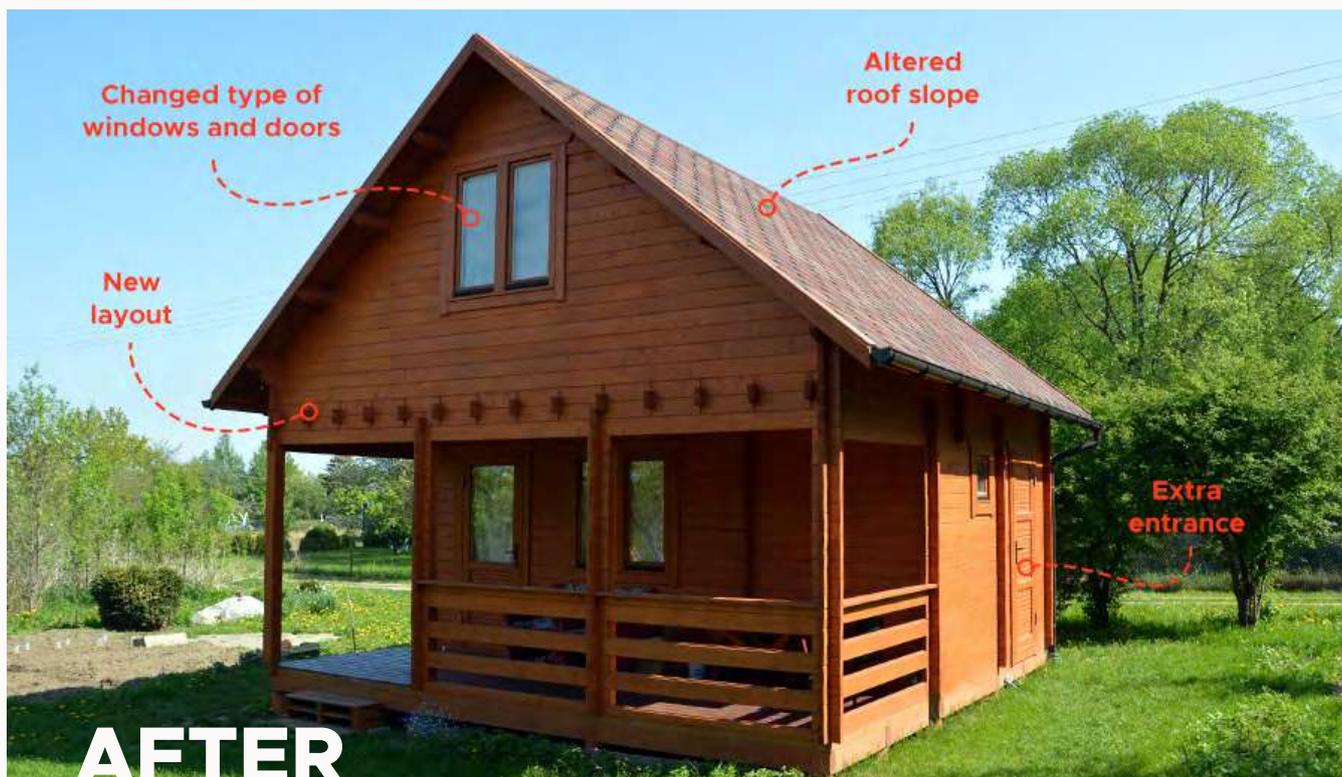

Customized COMO model

**BEFORE**

Standard VICTORIA model

No standard model policy

Customizations are free and unlimited and are not bound to any models in the catalogue. We encourage you to create your dream cabin that fits your lifestyle and personality.

**AFTER**

Customized VICTORIA model

Options

You can choose a standard house from the catalogue or order a house according to your own design on a bespoke basis. To achieve the best possible result, the combination of various parts of the house has to be planned:

Walls

Roof

Floor

Doors

Windows

Walls

Our products are available in 2 quality grades: **summer house grade** (houses with a wall thickness of 44 mm or more) and **living house grade** (houses with a wall thickness of 90 mm or more).

Solid timber

STANDARD

34 mm

44 mm

68 mm

90 mm

Glulam timber

OPTIONAL

90 mm

120 mm

160 mm

200 mm

Additional reinforcement

U profile

Wall reinforcement

Window / door reinforcement
